

Jeandron Receives Five Star Endorsement

The Gary Jeandron campaign announced today the endorsement of two decorated Military Generals: Retired Major General John E. Bianchi and Brigadier General Guido J. Portante.

General Bianchi is quoted, "Gary has served the public his entire life as a law enforcement officer. He is a man of character who can be trusted to uphold conservative Republican values. Chief Jeandron supports the 2nd Amendment and will fight to repeal the unlawful Sanctuary State. I am proud to lend my name and support to his campaign."

Gary Jeandron said, "I am extremely proud of gaining the support of such outstanding Military Veterans who have put their lives on the line to protect our freedoms and keep our country safe. These men are not truly retired; they are active in our local community working for charities to advance our conservative ideals and principles."
