Gary Jeandron campaign continues to release endorsements from voters living within the 42nd Assembly District.

Educational leaders Richard Clapp, board member of the Palm Springs Unified School District and Gary Tomak, board member of the Desert Sands Unified School District voice their support for Gary Jeandron.

Former long time Palm Springs Unified School Board member and Police Captain Michael McCabe endorsed Gary Jeandron stating:

Gary Jeandron has been a friend and a coworker for 40 years. I have worked alongside him in law enforcement and public education. I believe Gary is the most qualified candidate for this assembly seat. He truly cares about the people of this district. He understands the issues and has communicated his ideas during this campaign. He will bring "common sense" back to Sacramento while providing the leadership that is currently needed to restore California as the "golden state". Please join me and vote for Gary Jeandron the upcoming election.

Education is a key to the reduction of crime in the State of California. As your State Assemblyman I will ensure the best possible education for our future.
